About [ad:tech](#)

ad:tech London is the only European event in this global series and provides an annual meeting point for 5,000+ of the most forward-thinking brands, agencies, media owners, technology providers and investors to learn, network, benchmark and source suppliers.

We pride ourselves on providing high quality, engaging content through the [ad:tech conference](#), a carefully curated exhibition featuring over 150 industry players and unrivalled networking opportunities during the show and at official ad:tech social events.

It's this scale and value proposition that make ad:tech London a key diary date for anyone looking to get ahead in marketing and media.

We have got quite a lot of experience – this year we celebrate 10 years in the game and have got some content, feature and party plans lined-up around our 'Digital Decade' theme that will raise the bar for industry events. Check the homepage for the latest announcements.
